

LINDEN MEETING

Columbia Gas project meeting details

To Linden Community,

Your feedback is valued on our upcoming infrastructure upgrade project.

On **Monday, March 11 from 6:00-7:45 p.m.**, Columbia Gas will hold an open public meeting at Linden Community Center (1350 Briarwood Avenue).

Columbia Gas representatives will be present to discuss the pending zoning application at 2552-2554 Cleveland Avenue. Project plans, renderings and site design options will be presented for residents to weigh in on.

This meeting is in reference to zoning application #CV23-141.

For overall project information, visit ColumbiaGasOhio.com/Central-Columbus-NCHP. For project exhibits and maps, visit ColumbiaGasOhio.com/our-company/about-us/regulatory-information, and scroll down to Central Columbus NCHP Project.

If you have any questions or concerns leading up to the meeting, you may contact me at lpapalko@nisource.com or 614-420-1376.

I look forward to seeing you there and hearing your feedback.
